3 Bedrooms | 3 Bathrooms | 1,978 Sqft

Patio home in a 32 unit complex with farmhouse modern style in The Ridge - quiet area on the edge of town. Custom designed full fencing, landscaping and a community clubhouse. Designed for a spacious main floor living. Engineered hardwood, quartz counters, tiled back splash, custom cabinetry, designer lighting, walk-in pantry and kitchen has been roughed in for a gas stove with lots of natural light. The living room has a coffered ceiling, fireplace and custom mantel and an access to a deck. The primary bedroom has views into the backyard and opens into ensuite with under cabinet lighting, heated floors and a tiled shower. Large single car garage and space for two cars on the driveway. Built to step code 4 specs, environmentally friendly, cost effective and significantly more efficient than a regular home. Includes heat pump and HRV. Photos are from show home, which is available to view until mid-April. Winter completion. (id:30499)
