GREAT MORTGAGE HELPER! Two bedroom main living with a separate 1 bedroom suite. Inside the home, you'll feel immediately at ease in the gracious entryway. The spacious kitchen is waiting for your creative flair, and the generous living room is made just that much more welcoming with a grand brick fireplace in the corner. There is new paint throughout the main home as well as the suite. Both upstairs bedrooms have large closets and the Master has a direct "cheater" door leading to the main bath. Downstairs houses a fully self-contained in-law suite, with its own private yard and parking. Large fully fenced, beautifully maintained backyard features a greenhouse, raised garden beds, and lots of space to make your own. Fruit bearing trees and shrubs already well established. This yard is a gardener's delight!
