Another masterpiece from Brando Construction! Located in the popular Ridge subdivision. This 3yr old well appointed home is move in ready. Perfect for retirees or growing family, with the master on the main featuring a walk in closet and a beautifully tiled walk in shower complemented with 2 bedrooms upstairs for the kids and a huge family room for them to play! There is a generous sized closet in the family room you can even use it as a 4th bedroom if you wish or use the space for extra storage. With the back side of the house facing east you will get amazing sunrises over looking the Comox Bay. Open concept living space downstairs ensures friends & family can gather in comfort. The counters in the home are quartz throughout showing attention to the finishing details. The living room, dining room spaces are generously proportioned and the focal wall features a lovely tiled fireplace. Bring the family to this great neighbourhood. A must see before making your final decision! (id:30499)
