This home is located on a quiet Cul-De-Sac with an abundance of space to grow and enjoy. Located in Courtenay City close to many amenities would be the perfect fit for someone just starting out, downsizing or a family on the go. Spacious main level has a mix of hardwood floors and carpet with a good sized living room, kitchen with maple cabinets and adjoining dining room. Plenty of windows on the main floor of the house allows for lots of natural light to pour in all day long. Three bedrooms on main with the master having a walk-in closet and a deck overlooking the front for chilled sunny relaxing time. On the lower level of the floor there is a finished family room, plus a rec room with another bathroom and laundry room and the entrance to a crawl space which is just over 7 feet high with windows (because who doesn't need storage) or a whole area to be finished. Close to shopping, restaurants, banks, coffee shops 2021 Royal LePage-Comox Valley. All rights reserved. | |
