3 Bedrooms | 2 Bathrooms

Retirement dream. 2019 rancher of 1288 sq ft with a separate garage with back lane access, room for toys or RV. With 3 bedrooms and 2 baths this home has it all. Open concept kitchen and dining featuring quartz countertops, fresh white and easy to care for quality wide-plank laminate and tile throughout. Coffered ceiling in the living, shutters on the front of the house help create that cottage at home feeling. The primary bedroom has a walk in closet and tiled shower all with fabulous finishes. A high efficiency forced air natural gas furnace and an air conditioner was added for summer comfort. You also have hot water on demand and a home warranty for peace of mind. Low maintenance yard for easy living and located near town with all amenities. Why pay strata fee in a condo when you have everything you could want in this neat little package! 2021 Royal LePage-Comox Valley. All rights reserved. ||
