Come and see the beautiful updates to this 2 storey family home. Room to roam and space for everyone in this 5 bedroom home with large family room and storage galore. The main level upstairs offers 3 bedrooms, 4pce and 2pce bathrooms, large storage room for your pantry and more. The front of the house soaks in all the mountain views from the living room with wood burning fireplace (could convert to gas), the dining room with sliding doors and kitchen with sunny breakfast nook and walkout to the deck. And what a deck it is! Huge covered area for family barbecues with a view! It also overlooks the backyard to keep an eye on the kids. The lower level has a large entrance and family room with wood burning fireplace. Down the hall is a huge storage room, two more bedrooms, a 3pce bathroom and laundry room. Through the laundry room are two separated single car garages, of which one is an extra long 26'6". Both exit to the backyard where there's another patio and storage shed. RV Parking
