Sought after East Courtenay area... 1333 sqft rancher on 0.25 of an acre! Close to all amenities, schools, shopping, North Island College, CFB Comox and the Aquatic Centre. This 3 bedroom, 2 bath home has a nice open floor plan with a family room with natural gas fireplace, bright and cheery dining & kitchen, laminate flooring and large yard. There is a double garage for the cars and storage, RV parking, lots of outdoor space with a bright sunny exposure and a full tree hedge with fence line on all sides that sets you back from the Back Rd. Why settle for no privacy or no trees. Avoid the higher price of a new home, or the work updating an older home. This home is perfect opportunity for someone looking to downsize or get into the market! Don't wait long as this home won't last! 2021 Royal LePage-Comox Valley. All rights reserved. ||
